KEDRON OWNERS GROUP INC. Gathering Prompt Sheet

NOTES:

1. All Trip / Gathering Leaders will need to announce their gatherings in the Financial Members Only Gatherings Forum and this Gathering Prompt Sheet can be a useful tool in this instance. The more information you can provide the better.
2. If you need any help with your posting, please feel free to contact the Webmaster who can walk you through the process.
3. Members can then ask questions, and additional information can be provided to attendees under your gathering thread. All postings regarding a particular gathering, should be kept together under the one thread - for example:

TRIP TO THE BLACK STUMP

6 - 12 March, 2010

Members wanting to attend a gathering will then post a comment such as "I will be attending" within the gathering discussion, and the Trip Leaders (or the Webmaster) will modify the original posting to show their attendance and the attending number.

4. Potential attendees should send the Trip Leader a Private Message through the Forum if further, more private details are required.
