Our website address is www.kedronownersgroup.com Listed below is a short explanation of the different areas to our website –

The Forum

Directly beneath the Members Forum is the **Gatherings Forum**. The Members Forum will contain anything you may want to post for the interest of financial members only and the Gatherings Forum lists all future gatherings and information on how to register your attendance at these gatherings.

Photos

This link will take you to our photos forum. We would love to see special pics from your travels with your Kedron, including your van layout (which may also assist future Kedron owners with who may be in the planning stages for their new van). Please reduce the size of your pics before uploading and limit the number of pics as this will help us maintain our overall website data allocation.

Group Affiliation and Public Liability Insurance

The Kedron Owners Group Inc is an affiliated member of the Combined Caravan Clubs of Queensland (CCCQ). The CCCQ has over 30 clubs under its umbrella and has rallies at various times throughout the year which you can participate in. Being affiliated with the CCCQ has the advantage of a greater lobby group to enhance conditions for those who enjoy the caravanning lifestyle and gives our members the opportunity to develop friendships with other Clubs.

Upcoming CCCQ rallies and other CCCQ details are "pinned" at the top of the Members Forum.

All financial members of the Kedron Owners Group Inc. are covered by Public Liability Insurance through the insurers of CCCQ. You will be required to *sign an Attendance Register* when attending any KOG Inc. gatherings.

We have a **Forum Help Topics** section in our Forum where you can find information on many forum "how to" questions such as –

- how to change your email address
- how to easily identify which postings you have not yet read
- how to add an automatic signature at the bottom of your postings
- how to adding a avatar (the small pic to the left of each of your postings); and
- how to edit your post once you press the submit button and then notice a typo.

Feel free to post any "how to" questions on the workings of the forum in this area and our Webmaster will get back to you with a response.
